COORDINATOR’S REPORT

Project Graduation: Project Graduation is scheduled for June 21, with a rain date of June 22. The flower sale was a success, it was a complete sell out and we made \$1,200 the most ever for the event. Kristin sent out mailing to businesses asking for gift cards and monetary donations. The result was disappointing’ only two checks were received. WTEA was gracious enough to donate \$1,000, which can be used at Costco. Please pass along the word that the Alliance is still looking for donations.

5-Part Parent Webinar Series: The 5-part webinar series has been completed. It was a great series, but unfortunately there was no a great turnout. The first webinar – Impact of Marijuana on the Adolescent Brain – will be repeated from 6-7 p.m. June 14. The May 24 webinar featuring noted speaker Tim Shoemaker was very informative; it will be up for viewing until tomorrow (June 4).

Curbside Breakfast Fundraiser: The fundraiser will be held from 8:30-11 a.m. June 5 on the side of the municipal building near the police department. People will be able to drive up and get a sandwich, coffee and juice (or water) for \$5. Other items will be sold separately, including bagels and donuts. If you are volunteering, please plan on being there around 7:30 a.m.

Night Out Against Crime: This year’s event will be held from 5-8 p.m. Aug. 3.

Kids Day America: The tentative date is Saturday, Sept. 25. More will be known in the coming weeks.

2022 Funding: The 2022 funding application has been approved ... it's not the same as previous years, but we're happy with the funding we did get.

Meeting Update: In-person meetings will start Aug. 5 (time to be announced).

Motion by Tom Abogabal to adjourn meeting; second by Melissa Salso. Meeting was adjourned at 6:43 p.m.
