

REGISTER NOW FOR WOW SCIENCE CAMP AT INFOAGE

Wow Science and the Information Age Science and History Learning Center are proud to offer a three-week hands-on science camp in the summer of 2019. Campers will participate in many FUN, age-appropriate, hands-on science, technology, engineering and math (STEM) projects that high-

light important STEM concepts, simplify complex topics, and reinforce what campers learned in school. These projects are designed to pique and promote children's interest in STEM. On the fifth day of each week campers take an educational field trip. Wow! Science Camp® is accredited by the American Camp Association to provide out-of-school hands-on STEM programming to children. We have been running our hands-on STEM program since 2010.

Eligibility: Children in Kindergarten through 8th grade. **Registration Options:** Register for **1, 2, or 3** weeks. Register for **Science** camp. Schedule: 9 AM to 4 PM.

Age Cohorts:

Junior Camp (K to rising 2nd grader)

Main Camp (rising 3rd to 5th grader)

Teen Camp (rising 6th to 8th grader)
