## MEETING NOTES

1	State Plastic Pollution Reduction Act Update
2	Robin Ruggiero, Dinosaur Sculpture in the Woods
3	Green Business Recognition Program – Members requested to submit applications for 2020 on-line. Update
4	<p>This October, the Monmouth County Environmental Council (MCEC) is holding a webinar roundtable series focused on <i>Nature's Friends and Foes: Native Plants and Invasive Plants and Critters</i>.</p> <p><b>Session 1</b> Tuesday, October 27, 7 to 8 p.m. Tune in to learn about how you can be a steward of the environment right from your own <a href="#">Jersey Friendly Yard</a> by planting native plants and using water and soil wisely. Learn how to be vigilant against invasive insects like the Spotted Lanternfly and Emerald Ash Beetle.</p> <p><b>Session 2</b> Thursday, October 29, 7 to 8 p.m. Learn about a pesky aquatic invasive plant, hydrilla, how it is being controlled in the Manasquan Reservoir and how we can be a part of keeping water ecosystems healthy. Learn how the Monmouth County Park System tackles invasive plants to restore the land. These events are FREE and open to the public! Contact <a href="mailto:Amber.Mallm@co.monmouth.nj.us">Amber.Mallm@co.monmouth.nj.us</a> for further info.</p>
